MEMORANDUM FOR : Director of Reconnaissance, CIA
SUBJECT : ISINGLASS/Air Force Support of
Pratt and Whitney High Pressure Rocket
Program

1. This memorandum is for information only.
2. During a 30 December 1965 meeting with John Parangosky you related comments by Dr. Flax who alluded to modest Air Force white funding support to Pratt and Whitney high pressure rocket development work. Attachment #1, a 6 January 1966 memorandum for the record, is a summary of information available to us regarding Air Force and other high pressure rocket work underway or contemplated by Pratt and Whitney, Florida. Also the memorandum includes some Office of Special Activities observations concerning the planned Air Force work at Pratt and Whitney relating to ISINGLASS implications.
3. In accordance with your instructions to Mr. John Parangosky, we are in the process of preparing a shopping list ISINGLASS proposal of work, excluding the propulsion system, relating to the McDonnell Aircraft Company and camera areas for early transmittal to you for submission to Dr. Flax.

JACK C. LEDFORD
